

BEATEN TO WITHIN AN INCH OF MY LIFE

My name is Lily. I am a six month old pup. My guardian has beat me to within an inch of my life ever since I was a baby. I am in a safe place now with a family that truly

loves me. My left front shoulder was so badly injured when he beat me that I will probably lose my whole leg. My surgery is this week. Please help Angel Ridge to pay my vet bill. I am also looking for a forever home. Thank you and God bless you.
